

26th Annual Women & AIDS Conference
"HIV: A Community Response"
Thursday, December 5, 2019
9am-3pm
Logan Center
2505 E. Jefferson Blvd.
South Bend, IN 46615

Conference Topics: HIV 101 & Prevention, The State's Response to HIV, Men & Barriers to HIV Prevention and Indiana Syringe Exchange Programs Update

The Women & AIDS Conference is a series of HIV/AIDS awareness workshops geared to educate, provide skills, and resources to the people of St. Joseph County and surrounding communities. There will also be an emphasis on HIV/AIDS education and prevention. This is the only HIV/AIDS related conference in our community/region. Attendees will include HIV/AIDS educators and testers, nurses, doctors, social workers, addiction counselors, HIV+ individuals and the community at large.

\$8/person, \$7/person in groups of 5 (Continental Breakfast, Lunch & CEUs Provided)
